I was delighted to hear that my dear friend R' Tzuriel Kastel is presenting in English his previously published *Madrich L'Shaliach Tzibur*, thereby sharing the *Halachos* of leading the *Davening* with a broader audience; allowing more people to attain the proper perspective of what it means to be a *Shaliach Tzibur*, and how to function in that role.

May the author merit to continue to be *M'zakeh HaRabim*, for many *nachas* filled years in the service of the *Ribono Shel Olam*.

L'Chvod Hatorah v'Lomdeha,
